

Our Mission

Uconnect's mission is to inspire people to discover happiness in the workplace by giving everyone more control of their future.

About Uconnect

Hiring. Made. Simple.

Uconnect is a mobile application, driven to provide hiring solutions. Our mobile platform has been designed for simplicity. We make hiring simple by allowing Job Seekers and Employers to conveniently connect to help you discover your future. With our in-depth and specific search capabilities, you can search detailed profiles with relevant information to help you make the right decision for you or your business.

Hiring? Find talented candidates here.

Find potential candidates that meet your needs. Search for specific details to find the best fit candidate for you or your business.

Need a change? Connect with people that can help.

Find employers and recruiters that can help you discover your next job. Search for people that suit your needs.

Visit our website: www.uconnect.com.au for more about our app.
