

Privacy Policy

By downloading the TULIA mobile application (“**App**”) from the App Store SM, Google Play, or from any other location, whether through a mobile device, mobile application or computer (collectively, the “**Service**”) you agree to be bound by this Privacy Policy (this “**Agreement**”), whether or not you create a TULIA account. If you wish to create an TULIA account and make use of the Service, please read this **Privacy Policy**, which describes how we collect, store, use and disclose your Personal Information. You should also read the TULIA Terms & Conditions.

If you do not accept and agree to be bound by all of the terms & conditions, including the TULIA Terms & Conditions, please do not use the Service.

CONSENT

When you use the Application, create an account or otherwise provide us with your personal information, you consent to our use of your information as per the conditions outlined in this Privacy Policy and as may be subsequently identified at the time future information is collected. It is always your choice whether you wish to provide us with your Personal Information.

OVERVIEW

We respect the privacy rights of our users and value the importance of protecting your privacy and personal information. This Policy will help us communicate our commitment to protecting your privacy and ensuring you have a safe and secure experience. This Privacy Policy will outline our practices around how we collect information about our users, what we do with that information, with which we may share it with, and your choices about its use and disclosure.

Information may be collected through the Application: Personal Information. This Privacy Policy does not extend to the collection, use or disclosure of the following information which is currently not limited by applicable privacy laws: information that is publicly available, such as names, email and mobile numbers when listed in a directory or made available through directory assistance.

"Personal Information" is personally identifiable information, such as your name, e-mail address. At the time of collection, we will clearly identify the information being collected and the purposes for which it will be used. It is always your choice whether or not to provide Personal Information but if you choose not to provide certain requested Personal Information, in some instances you may not be able to register to use the Application or be able to access and use the Application at all. In other instances, your choice not to provide certain other Personal Information may mean that you will not be able to use certain features of the Application. We may collect Personal Information in respect of the Application through registration processes.

PERSONAL INFORMATION COLLECTED

Personal information collected begins at the account creation process, and includes your name, email address, mobile number, profile picture. If you choose to use Facebook login, you authorize us to access and use certain Facebook account information. Over time, as we expand our Services, we may collect other personal information from you, such as your mobile number.

VIEWING OR UPDATING YOUR INFORMATION

With your TULIA account, you can go to your personal profile and review the information in your profile. The information you can update is your email, mobile number, as well you can updated your profile picture at any time. If you created an account using Facebook, your information may be updated when you update it in Facebook.

PROTECTING YOUR INFORMATION

The security of your Personal Information is important to us. We use commercially reasonable efforts to store and maintain your Personal Information in a secure environment. We take technical, contractual, administrative, and physical security steps designed to protect Personal Information that you provide to us. We have implemented procedures designed to limit the dissemination of your Personal Information to only such designated staff as are reasonably necessary to carry out the stated purposes we have communicated to you. Although we have such security measures and safeguards in place to protect your personal information from unauthorized access or disclosure, no system is ever entirely secure. As such, we do not promise nor should you expect that your personal information, in-app communications through notes or chats, always remain completely secure. You are also responsible for helping to protect the security of your Personal Information. For instance, never give out your email account information or your password for the Services to third parties and take care in how you handle and disclose your personal information when using the Service.

RETENTION

We will keep your Personal Information for as long as it remains necessary for the identified purpose or as required by law, which may extend beyond the termination of our relationship with you. All retained personal information will remain subject to the terms of this Privacy Policy. If you request that your name be removed from our databases, it may not be possible to completely delete all your Personal Information due to technological and legal constraints.\

RIGHTS TO THIRD PARTIES

This privacy policy does not create rights enforceable by third parties or require disclosure of any personal information relating to users of this Service.

CHANGES TO THIS PRIVACY POLICY

We will on occasion update this Privacy Policy and any changes that are made will be reflected as per the updated date at the top of this Privacy Policy after “Last Updated.” We recommend checking our Privacy Policy and Terms of Use statement on an occasional basis to inform yourself of any changes.
